

For Immediate Release

JBK Associates, Inc. Named to DiversityBusiness.com Top Nationwide Business List for 2009.

Englewood, New Jersey, January 27, 2009. In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nations' leading business-to-business internet site, recently named JBK Associates, Inc. as one of the top 500 Emerging Businesses in the United States.

This is the 9th annual listing of the United State's top businesses by DiversityBusiness.com. Ranging in revenue size from under one million to more than a million, the companies listed on the Top Business Lists represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

"Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

"We are so proud to have been chosen for this prestigious honor and look forward to continuing to serve our clients with the outstanding partnership that has helped to grow our business", says Julie B. Kampf, President and Founder of the firm.

The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "9th Annual Multicultural Business Conference", taking place April 29 – May 1, 2009 at the Disney's Contemporary Resort in Orlando, Florida.
