

164 N.J. companies make Inc. 5000 list of fastest-growing companies

August 25, 2014 3:21PM

Inc. has released its 2014 Inc. 5000 list of the fastest-growing private companies in America. New Jersey was well-represented, with 164 companies on the list, ranging from No. 32 all the way to No. 4,982.

That was good for 11th among states in terms of the number of companies that made the rankings.

This was the 33rd year the magazine has compiled the annual list.

Journal Multimedia, the parent company of NJBIZ, is ranked No. 4,738. The company is headquartered in Harrisburg, Pennsylvania.

Here are the Garden State companies that rank among the nation's fastest-growing, according to Inc.:
